### DETAILED ACTION

1. Claims 1 and 5-6 *remain* rejected under 35 U.S.C. 112, first paragraph, as based on a disclosure which is not enabling. The important points found at page 7, lns 3-15 of the instant specification are critical or essential to the practice of the invention, but not included in the claim(s) is not enabled by the disclosure. See *In re Mayhew*, 527 F.2d 1229, 188 USPQ 356 (CCPA 1976). The instant specification recites at page 7, lns 3-15 important points that must be included in the claims. It is suggested that applicant insert the important points into independent claim 1.

2. The replacement drawings and substitute specification filed 2/24/09 have been accepted.

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of
